

Mastering the Art of Legal Digital Advocacy: Effective Use of Courtroom Presentation Technology

The CLE You Need, The Way You Want It

**Exclusively Available Via Live
Interactive Webinar**

DESCRIPTION

Courtroom technology has become an integral part of litigation. This seminar will cover the fundamentals of leading courtroom technology, key trial presentation software programs, strategies for compelling multimedia presentations, best practices for digital evidence presentation and how to avoid disasters. Along with theoretical knowledge, we will offer hands-on workshops using popular trial presentation software, preparing you for the demands of using technology in modern courtrooms or historic courtrooms that may not be well-equipped. Suitable for litigators, paralegals and legal technologists, this program will teach you how to deliver persuasive, visually engaging arguments that captivate judges and juries alike. It's time to stay ahead of the curve and embrace the future of courtroom technology.
